from the Office of Respect Life

The Respect Life Ministry would like to extend our sincere thanks to all pastors and priests who promoted and or participated in the Lenten 40 Days for Life Campaign. So many souls were touched by our public witness of prayer to end abortion and our offer to help those in need. Hundreds of people turned out, many for the first time, to courageously defend HIM and HIS least ones. We know for sure that at least 2 babies' lives were saved; one we were privileged to then see on our ultrasound machine. We heard many stories from passers-by who thanked us for being there; some bringing us water to help endure the heat.

May Our Lord Jesus Christ have mercy on us and one day soon restore the sanctity of all human life; born and unborn.

Thank you.
Joan Crown
Respect Life Director.
