Embracing Jesus: The way, truth and the life

God calls; we respond. That is how one starts out as a catechetical leader. Yet as leaders in the church's catechetical ministry, we never fully arrive. We are always on our way to becoming a new and better catechetical leader, a new person in Christ. No sooner do we master one situation and we are called to a new challenge that forms us. Turning to the words of Jesus: "I am the way the truth and the life" (Jn. 14-6), we find courage and strength to embrace Jesus anew each day. In that embrace we become more that we could have imagined when the journey began.

Cristo en el centro de la catequesis

La catequesis es ante todo una experiencia de encuentro con Jesucristo, el Señor resucitado que nos da una vida nueva. Decir que Cristo está en el centro de la catequesis es afirmar que nuestras metodologías, palabras, acciones y compromisos revelan al Señor siempre de una manera única y creativa. Reflexionemos sobre nuestra vocación a ser testigos e instrumentos de Cristo.

Beyond Ourselves: Helping Young Christians to Grow in Faith

The education of young people in the faith happens alongside key moments of growth and change. The more we understand such moments, the better we will be able to help them to mature as human beings and as Christians. In this workshop we will explore some insights from contemporary research on faith development and look for practical ways to use it in our educational practices.
