*Lord, send forth Your Spirit and  
Renew the Face of the Earth*

Reflections on the Biblical View of the  
Beauty of God's Creation and  
its Meaning for Human Destiny

*Sunset over the Sea of Galilee*

Pope Francis has urged the church and all people of good will to care for our "common home."

For people of faith, the basis for this concern is rooted in the Scriptures. This retreat will reflect on the biblical notion of creation found in Genesis, the Psalms, the prophetic paradise visions, and in the healing and reconciling mission of Jesus portrayed in the New Testament.
