What is the School of Lay Formation?

The School of Lay Formation forms lay men and women who desire to grow in their understanding of the Catholic faith and in their ability to serve the Church. Over the course of two years, participants develop knowledge in spirituality, theology, and pastoral service. Upon completion of the two-year program, participants find they are closer to Jesus and are better able to serve in their parish and community.

What is the format of the program?

There are two different formats. Choose the format that works best for you.

Traditional classroom format is offered in Spanish or Creole. This course meets once a week for two years (summers off).

- **Online program** is offered in English or Spanish and incorporates 8 online courses with in-person meetings over a two year period of time.

What do I receive upon completion of the program?

- **Catholic Studies Certificate** is available to Catholics interested in learning more about the faith and who wish to discover or strengthen their call to serve the Church and community.

All participants enjoy connecting with a community of adult believers from parishes throughout the Archdiocese. This leads to rich discussion, and a broader notion of Church.
