OFFICE OF THE VICAR GENERAL

From the National Council of the Society of St. Vincent de Paul:

The Society of St. Vincent de Paul, along with the entire Vincentian Family around the world, is celebrating the 400 anniversary of St. Vincent de Paul's realization that he was called to serve the poorest of the poor.

The theme of this anniversary year is from the Gospel of Matthew: "I was a stranger and you welcomed me."

The Society of St. Vincent de Paul seeks, in a spirit of justice and charity by person-to-person involvement of its members, to help those in need. The grace given to Blessed Frederic was to invite lay men and women to take up this good work following the charism of St. Vincent. These groups or Conferences were centered in parishes and had their own statutes, raised their own money and distributed the supplies as the needs required.

Today, there are nearly 900,000 members of the Society of St. Vincent de Paul in 150 countries around the world.

During this anniversary year, we would like to take this opportunity to express the Society of St. Vincent de Paul's gratefulness for the welcoming spirit of the parishes to the conferences of the Society of St. Vincent de Paul. It is a wonderful relationship that serves the poor well. Please remember us in your prayers that we might remain faithful to the charism of St. Vincent and to the genius of Blessed Frederic.
