Boy Scouts of America

The Archdiocese of Miami has a long history of supporting the Boy Scouts of America program as an integral part of our parish's Youth Ministries. As I am sure you have read, the national Boy Scout organization has filed for Chapter 11 bankruptcy protection because of many past claims of abuse. There have been no claims of abuse brought in connection with any scouting unit chartered by an ADOM entity. The BSA bankruptcy case is ongoing and complicated and is being monitored by our attorneys and the Florida Conference of Catholic Bishops. In the meantime, we will continue to support those BSA units, both Cub Scouts and Boy Scouts that are already chartered in our parishes. However, for the time being, no new BSA units are to be chartered at any ADOM parish or school.

In preparation for World Youth Day in Lisbon 2023, an Archdiocesan World Youth Day will take place Nov. 20 from 7 to 10 p.m. at St. Thomas University, the sponsor of the event. Archbishop Thomas Wenski is inviting parishes, Catholic schools, youth/young adult groups, movements, and Campus Ministries to send a team of official ambassadors (2-4 young people) to officially represent the parish at the event. Ambassadors may bring a flag/banner representing their group/parish to this outdoor celebration that will feature Eucharistic adoration, concert and commissioning of the World Youth Day Pilgrim cross. Office of Safe Environment

New Online Training Option in the Virtus Registration Process

In these extraordinary times, the Safe Environment Office has reviewed the current process of Virtus training and how it should proceed in an effort to still provide quality education of awareness and prevention of child sexual abuse and do so in a safe and logistically viable procedure.

In response we have worked with Virtus National to provide temporary online training as an option. It is available in English, Spanish and also Korean and Vietnamese subtitles.

Office of Safe Environment (continued)

This means the participant must have access to the internet. For those few who do not, and do not have another option, then their site—meaning parish or school—is to provide them with a computer on site for them to complete this training.

All those completing the online training option will have an active Virtus account and will be required to read their monthly bulletins just as is required with the live training. The Local Coordinator at each site will have access to all accounts affiliated with their location just as before. Compliance responsibilities will not change.

Register for online class at www.virtus.org. For questions regarding the new online training option please contact Jan Rayburn at jrayburn@theadom.org

Office of Vocations

Vocations Awareness Week

On the first full week of November, the USCCB asks us to celebrate vocations. Throughout the next few weeks, Fr. Matthew Gomez, Vocations Director, will be passing by parishes and schools to deliver this year's Archdiocesan Seminarian Poster, as well as a poster published by Vianney Vocations encouraging parents to support vocations. Teachers and Catechists can use all of the resources placed in the e-Library for use during this week. Each parish and school should have an intentional moment to pray for vocations on Thursday, Nov. 11.

This can be celebrating Mass for Vocations to Holy Orders, a prayer service in the classroom, or even a Eucharistic Holy Hour as a parish community. Thursdays are usually the day to remember vocations to the priesthood as it is the day when the Eucharist and the priesthood (Holy Thursday) were instituted. Lastly, if you have a young man in your parish who would be a good candidate for the priesthood, please ask him to reach out to Fr. Gomez (mgomez@theadom.org) as preparations are underway for Vocations Awareness Weekend at St. John Vianney.

Labouré Society Seminarists

Dear brothers in the presbyterate, the Archdiocese of Miami currently has two men participating in the Labouré Society program. This program helps to remove the obstacle of student loan debt during the years of formation.

According to the National Religious Vocation Conference, of the approximately 10,000 men and women discerning a call each year to the priesthood or religious life, 42% of them are blocked due to student loan debt.

Since 2003, this 501(c)(3) organization has helped deliver over 300 men and women into religious formation who otherwise would have been turned away or put on hold due to student loans.

If you would like to assist, please email Fr. Matthew Gomez at mgomez@theadom.org to put you in contact with the two men who are diligently working in this program to alleviate their student loan debt before entering the priesthood.
