### Boy Scouts of America

The Archdiocese of Miami has a long history of supporting the Boy Scouts of America program as an integral part of our parish's Youth Ministries. As I am sure you have read, the national Boy Scout organization has filed for Chapter 11 bankruptcy protection because of many past claims of abuse. There have been no claims of abuse brought in connection with any scouting unit chartered by an ADOM entity. The BSA bankruptcy case is ongoing and complicated and is being monitored by our attorneys and the Florida Conference of Catholic Bishops. In the meantime, we will continue to support those BSA units, both Cub Scouts and Boy Scouts that are already chartered in our parishes. However, for the time being, no new BSA units are to be chartered at any ADOM parish or school.

### Office of Safe Environment

#### New Online Training Option in the Virtus Registration Process

In these extraordinary times, the Safe Environment Office has reviewed the current process of Virtus training and how it should proceed in an effort to still provide quality education of awareness and prevention of child sexual abuse and do so in a safe and logistically viable procedure.

In response we have worked with Virtus National to provide temporary online training as an option. It is available in English, Spanish and also Korean and Vietnamese subtitles.

## Office of Safe Environment (continued)

This means the participant must have access to the internet. For those few who do not, and do not have another option, then their site—meaning parish or school—is to provide them with a computer on site for them to complete this training.

All those completing the online training option will have an active Virtus account and will be required to read their monthly bulletins just as is required with the live training. The Local Coordinator at each site will have access to all accounts affiliated with their location just as before. Compliance responsibilities will not change.

Register for online class at [www.virtus.org](http://www.virtus.org). For questions regarding the new online training option please contact Jan Rayburn at [jrayburn@theadom.org](mailto:jrayburn@theadom.org)

## Office of Vocations

### Labouré Society Seminarians

Dear brothers in the presbyterate, the Archdiocese of Miami currently has one man participating in the Labouré Society program. This program helps to remove the obstacle of student loan debt during the years of formation.

According to the National Religious Vocation Conference, of the approximately 10,000 men and women discerning a call each year to the priesthood or religious life, 42% of them are blocked due to student loan debt. Since 2003, this 501(c)(3) organization has helped deliver over 300 men and women into religious formation who otherwise would have been turned away or put on hold due to student loans.

If you would like to assist, please email Fr. Matthew Gomez at [mgomez@theadom.org](mailto:mgomez@theadom.org) to put you in contact with the gentleman who is diligently working in this program to alleviate his student loan debt before entering the priesthood.
