

## *Eventually: Walking in Faith through Infertility* **Community Mass**

April 24 - 30 is National Infertility Awareness Week. Did you know that 1 in 8 couples have trouble getting pregnant or sustaining a pregnancy? Join us for an occasion to come together to pray for hope and healing for those faced with infertility and pregnancy loss.

The community mass will take place on **Saturday, April 28th**, 5pm Vigil. If you or someone you know is struggling with the heavy burden of infertility or pregnancy loss, join us for spiritual support, encouragement, and a special blessing during the Mass.

Members of the Infertility Ministry will also be available at the COTLF Tent with materials and information for upcoming events and gatherings. Though the journey through infertility can often be a long and lonely one, you are not alone. Journey together with us in faith and hope!
