*S*pend a day growing in the art of prayer with friends! We will be using *Oremus*, a dynamic Ascension Press study that presents the essentials of an effective and fruitful prayer life through the wisdom of the Saints and the Tradition of the Church designed to help us to...

- Place ourselves in the presence of God
- Express ourselves to God in prayer
- Make prayer an integral part of our daily lives to grow in intimacy with God

Oremus includes eight video presentations by Fr. Mark Toups, lively small-group discussions, and inspiring readings and reflections for each day.

"The lessons learned in this study touched my soul in such a way that my desire to pray more and draw closer to Christ has become a part of my everyday life."
