

*I am happy to present the Marian Center Christmas wishes for you.*

*The birth of Jesus at Christmas is a miracle that we celebrate first of all in our hearts, in our family, in our school, with our friends.*

*This year our wishes are full of gratitude for each small or big miracle that we have experienced in our lives, in our activities, and in our adventures.*

*Our wish is that you can discover the miracles in your life,  
so together we can be grateful to our Lord for  
His coming among us one more time, this blessed Christmas time.*

*On behalf of all students, adults, staff, faculty  
and sisters of the Marian Center,  
Merry Christmas and Blessed New Year!  
Sister Lidia
