*~ Jesus ~
The Human Face
Of God's Mercy*

Christ Icon in the Monastery Church of St Catherine—Mt Sinai, Egypt

Pope Francis has described Jesus as “the human face of God’s mercy” – an expression drawn from the Scriptures.

This retreat will reflect on different dimensions of the New Testament portrayal of Jesus: his Jewish roots; his healing and reconciling touch; his unique teaching; his death and resurrection; his abiding presence in the world. The goal is to draw deeply on the strong and bold biblical portrayal of Jesus in order to renew our own Christian life today.
