

Praying with Icons & Learning from the Saints!

Join us for four weeks as we study the lives and Icons of four great saints of our faith. There will be teaching, time for discussion, and prayerful meditation on each of these special saints.

Strengthen your own faith by gaining insights from the lives of these faithful men and women of God: **Francis of Assisi**, **Kateri Tekakwitha**, **Vincent de Paul**, and **Dorothy Day**.

Join prominent Iconographer, Christine Hales, and Sue DeFerrari, retreat director, as they unpack the intricacies of each Icon. This is a unique and powerful opportunity to deeper your prayer life, grow in your faith, and strengthen your hope in these very challenging times. Each of these saints have something significant to share from their lives and into our hearts through prayer.

See the Icons which are all part of an award winning parish renovation project for the Saint Vincent de Paul Church in Albany New York.

Christine Hales

Christine Hales has a BFA in Painting and Art Education and a Master's degree in Art Therapy. While in graduate school, she had an encounter with Icons at a convent in France that changed her life forever. She realized that Icons can heal, teach, and bring God's Presence in a powerful way to the viewer. In addition to teaching icon writing nationally, Christine fulfills many church and private commissions, allowing her to share her deep faith with others.
